DRAMATIC ENTERTAINMENT,-It should not be forgotten that on Monday evening next, the 29th inst., the Hydraulion Engine Company take a benefit at Sarepta Hall.

Neither pains nor expenses are being spared to make this the event of the season. The very best dramatic talent of Washington city has been secured, and all may rest assured of a M. B. Harlow, trustee, sold a rest in the tine evening's entertainment. The beautiful. emotional and highly sensational drama in 3 acts, entitled, "Miriam's Crime, or the Lost Will," will be produced for the first time in this city by the following brilliant cast:-"Miriam West, Miss Lattie Church, her first appearance in this city, having just returned after a long engagement with Miss Kate Claxton's company; "Mrs. Rubey." Miss Annie D. Ware, a decided favorite here and on whom comment is unnecessary; "Bernard Reynolds," Mr. Walter L. Dennis, who, having just concluded a long northern and western tour with Mr. and Mrs. Florence, appears for the first time in this city; "Old Huffin," a lawyer, Mr. J. F. Joyce; "Richard Scumley." Mr. J. B. Ran dolph; "Biles," Mr. H. E. Laach; "Daniel," Mr. C. F. Mallard. All of these gentlemen are well and favorable known here, and their names should be sufficient to guarantee an overflowing

The performance will conclude with a rousing farce entitled, "Out to Nurse," which will in troduce for the first time in this city the wondertul child actress-Little Eva Henderson, who appears as "Little Susie," supported by Miss Ware, Mr. Joyce, Mr. Leach, Mr. Ran dolph and Mr. Mallard.

This company has been organized for an ex tended tour through the States of Maryland and Virginia and this will be the only opportu consecutive nights in London.

Seats can be secured at Janney's without exreach of all it is hoped that Sarepta Hall will be crowded to its utmost capacity.

CITY SCHOOL BOARD.—The regular meeting of this Board took place last night: present Messre. Addison, Burke, Gregory, Herbert, Kemper, McKenzie, Marbury and Whittingtop, Trustees, and the Superintendent of Schools.

The Chairman being absent, Mr. McKenzie was elected chairman pro tem and the minutes of the last meeting were read and approved. Mr. Burke, from the Committee on Finance and Accounts, reported the sale of certain Virginia coupons amounting to \$100.80, and the cerk was directed to collect the amount from Messis. Burke & Herbort and deposit it

with the Treasurer. He also reported as correct, bills of A. S. Perpency for kindling wood for Lee building. \$1.25 and of T. J. Mehaffey & Co., for kind ling wood for the Peabody building in 1876, \$2.75, both of which were passed.

On motion of the Superintendent the sum of \$200, or so much thereof as may be necessary, was appropriated for insurance during the year; the Committee on Finance and Accounts remarkably cheap. to make such changes in the insurance now had, as may seem to them expedient.

On motion of Mr. Burke \$420 was appropriated in favor of C. C. Bradley, for interest due bim during the present year. Adjourned.

STRAWBERRY AND FLORAL FAIR .-- The strawberry and floral season will be here be fore many days, and in view of the great promise of berries and roses we suggest that these in charge of the City Agricultural movement would do well to take steps at ones toward holding a fair for the display of these good and delightful Spring time products of our surrounding country. We think all our people would cordially co operate in such a movement if gotten up in the right shape, and that with a good Spring fair such a spirit would be aroused as would make possible a hearty cooperation of town and county folks in the prospective Autumnal fair. But no time should be lost-strawberries are beginning to ripen and roses beginning to open. Call a public meeting-procure a place-say the Corn Exchange, if possible-select committees-decide on premiums, &c.

RECEPTION OF REV. WEBB AND WIFE .-The reception tendered to Rev. W. C. Webb and wife, at the Meridian street Church, was very largely attended, not only by members of that congregation but also of many other sister churches in the city. The Doctor has just returned from Alexandria, Va., with his bride. Mrs. Webb is a charming lady, with a beautiful face and a winning manner. She made many friends last night by her amiable demesnor, and will continue to make friends as long as she may remain in our city. The parlors were beautifully decorated and filled with the city's elite. Refreshments were served, and the evening passed off in the most agreeable manner possible. - Indianapolis Journal.

Police Items.—The following cases have been tried since last report. John Bean, colored, on the charge of being implicated in the rebbery of W. H. Whiting,

was re-examined and discharged. Chloe Green, for abusive language to John Thomas, both colored, was made to pay costs and give security to keep the peace, by Justice

THE CANAL .- It is now expected that the repairs to the Alexandria Canal Aqueduct will be completed in about one week, and the

water let on. The new outlet look near Georgetown, on the C. & O. Canal, which has been heretofore reperted as all right, does not seem to work sailsfactorily. The capal boat M. O'Connor, which arrived here yesterday evening, was hauled up and down in it several times, and

was unable to get out, through it. STATE COUPONS.—City Treasurer Harlow has received from the Auditor of Public Accounts a circular, notifying him of the failure of the Court of Appeals to make a decision on the question of taxing State coupons, and infere, and in all cases, retain the tax."

CONCERT LAST NIGHT. - The instrumental concert at Sarepta Hall last night, was a five affair, but shared the fate of most of the recent cuter ments so far as regarded attendance. Some difficulty was experienced just prior to the open ing of the entertainment, by some of the mu siciats, owing to the appearance of Mr. Schneider, leader of the Marine Band, to which they belong, and who threatened to have them puoished for absence without leave. As the leader was guilty of the same offense, all, except one, of the musicians concluded to stay and go on with the concert, which they did, to the great satisfaction of those present.

FISH REPORT. - During the week just ended there were shipped over the W. & O. Railroad, from this city, about 480,000 herrings.

Capt. Jerry Robb has "out out" at Gums and his crew came up last night. He will continue operations at Sandy Bar, a few

miles below this city.
Since yesterday's report there have been received at Fishtown about 1000 shad and 90,000 herrings. The former brought from 13 to \$20 per hundred, and the latter 64\$6 50 per thousand.

The Lee Monument.

The Sccretary of the Lee Monument Association appeals to the people of Alexandria to do something in aid of the monument to General Lee. Some two years ago the children of the public and private schools made a contribution; but our citizens generally as yet have given nothing. There are a large number of ex-Confederate soldiers in this city, and we are satisfied that they will take prompt steps to respond acceptably to the call, now

made, in the name of the association.
The ladies of Washington, on Friday evening last, gave a musical entertainment which was largely attended by the elite of the Federal metropolis, and we are happy to learn that their effort was crowned with eminent success. Will not our ladies go and do likewise.
